

Purchasing Policy

We want to develop goals for:

- ***Warehouse management***
 - ***Purchasing cost optimisation***
 - ***Supplier evaluation***
 - ***Supplier relations***
 - ***Consideration of ecological aspects***
-

We want to achieve our goals through:

- ***Procurement planning***
 - ***Procurement team meetings***
 - ***Targeted supplier visits***
 - ***Market orientation***
-

We want to achieve our goals by the following means:

- ***Purchasing organisation***
 - ***Qualified personnel***
 - ***STOMAT / procurement module (specific software STOMAT)***
-

We want to review and learn from our results as follows:

- ***Monthly controlling of the inventory***
- ***Monthly evaluations of the inventory using STOMAT***
- ***MIS evaluations (Management Information)***
- ***Annual management review***
